Åbningstider

Opening hours: All year round from 1 hour before sunrise. Night angling only as agreed.

Rødekro Fiskepark is a fantastic nature area, with 3 lakes for daily angling. Mainly rainbow trout, but also river and brook trout, zander, pike and eel. Lake no. 4 is only for groups – depth of water up to 14 metres.

- Grill bar with sale of fishing tackle
- Play area and campsite
- No limitations on catches
- Hire of chalets and rooms
- Covered fish-cleaning facility grill area
- Toilet and shower building

Fish may only be cleaned in the cleaning facility, and fish waste must be disposed of in the stainless steel chute at the facility. Ground baiting and the use of small fish as bait is not permitted.
