Skyggehale Put & Take was opened in 1990. The area is stretched on app. 43.000m² and expanded in '99 to 3 lakes, constituting a total of 15.000 m².

- Lake 1 is app. 5.600 m²
- lake 2 is app. 9.000 m²
- lake 3 is for children up to 12 years only.

"Skyggehale Put & Take" is beautifully situated at the countryside around Karup Å. It's a place, well-suited for families, with tables, benches and a restroom with toilet. Apart from fishing in the lake, it is possible to fish in a 400m area of Karup Å.

The lakes are opened all year, from 1. January to 31. December. Lake 1 is seldom frozen. The lakes and surrounding areas are approved by the veterinary authorities and subdue to their regulations concerning purchase and release of fish and prevention of diseases.

Around the lakes you will find shelters with benches. The cosy restroom is heated and installed with a refrigerator for your own food and drink and a frost box for the fish.

There is brochures on further sights and attractions in the region.

A part of the bank around lake 1 is covered with paving slabs. The lake is easily accessible from the parking area for wheelchairs. There are 2 fish cleaning areas in connection to the lakes, both with fresh water and a garbage disposer for the fish waste. Furthermore there are two fireplaces, 4 smoke oven and 4 large barbecues free for the use of all guests.
